PAUL FOUND IN HIS LETTERS | Lunch & Discussion with the Author

Sunday, March 26, 11:30am - 12:30pm | Hutton Hall

George Martin is an independent Pauline scholar and (more famously) father to Kate Fimbres, our Minister for Youth and Parish Life. The book, published in 2022 by Claremont Press, is the story of Paul in the history of the first century based on the seven letters all scholars agree he wrote. Martin explains why the accounts in the Book of Acts and in the Pastoral Epistles represent the "remembered Paul" coming decades after his letters. The letters reveal a different Paul in his own voice. The book is available on Amazon.com. After the discussion the author will be happy to sign books. Learn more at saintbarnabas.org/paul.
