EPISCOPAL CHURCH

STAYING CONNECTED

THE PARISH POST

There have been great challenges and great joys during this past year, and all of them have formed us in new ways. But most importantly throughout it all: we have remained the faithful, encouraging, loving community that is Saint Barnabas. And inside these pages, you will see that live and in color! We are so delighted you all participated so generously in the Parish Post. Feeling connected to each other is one of the most important things we can do and you knew that and acted upon it. Enjoy all these special messages from your fellow parishioners. We hope this keepsake magazine is something you'll return to when you need a bit of encouragement. We know we will. Thank you, thank you.
